

***Brendo and Rhianon had a very successful day at the Shepparton Autocross on Sunday, December 6, both finishing with first places.***

Competing in his left hand drive Subaru STI rally car, Brendo won the day after three very fast runs around the track. He was followed home by Rhianon's husband, Tim, in second place.

Not to be outdone by her husband and younger brother, Rhianon won the ladies class. It was Rhianon's third autocross for the year and her third win. Incredibly two of her wins have come since she broke both her legs back in August.
