

{mosimage} Brendan Reeves is preparing for a busy couple of weeks of rallying. His next event will be the tarmac Mt. Buller Sprint, to be held from November 3 - 5, in which he will drive his new Subaru Impreza WRX STi.

The three day event has attracted 99 entries, and involves a total of ten stages, each a 16.1km run on the awesome Mt. Buller Tourist Road between Mirimbah and Mt. Buller.

It will be Brendo's first outing at Mt. Buller and follows his successful 2nd outright at Rallye Burnie in September.
