

Brendan and Rhianon have enjoyed a great first day at Targa Tasmania. The Mazda3 MPS ran perfectly all day and the duo are winning the Showroom class by a comfortable margin.

"Our first day has been really good," Brendan said. "The car is going well and it's dry so far, and we're pleased to get some very good stage times. We don't need it to stay dry as the car is good in all conditions, so it doesn't really worry me too much, but I'm really happy with our first day's efforts."
