

A disappointed Brendan Reeves has had to withdraw from this weekend's Raglan Rally of the Coast, round 4 of the New Zealand Rally Championship, after the Force Motorsport Mazda AP4 he was to drive was sold last week.

2018 has been a very difficult year for Brendan in New Zealand and hasn't produced the results he hoped for but he is working hard to contest a full championship next year.

Stay tuned later this week for details of Brendan's next event.
