

Brendo and Rhianon return to the forests this weekend when they tackle the Akados Rally, round 6 of the Victorian Rally Championship.

The pace noted event will give the pair another chance to hone their pacenoting skills before heading to the UK later this month, where Brendo will compete in the Fiesta International Shootout.

With reconnaissance to be conducted on Saturday, the rally itself will run on Sunday in the Blue Range Rubicon State Forest. The event starts and finishes in Alexandra and comprises approximately 120km of competitive distance over eight Special Stages.

Competing in his Subaru Impreza RS, Brendo is looking forward to returning to the Alexandra area, having competed there before. An added bonus is the fact that Brendo and Rhianon will be competing against their brother, Nathan Reeves, who has entered his Subaru Impreza WRX STi.
